'Fermanagh Calling' Contact Registration Form.

'Fermanagh Calling' is a new service providing a free telephone link / information / alert service for older people. Once registered with the service the client receives a telephone call at an agreed time up to three days a week. The calls can be tailored to meet individual needs – whether it is just for a chat or information and advice on specific topics. The service will respond to a “no response” telephone call whereby a “Fermanagh Calling” telephonist will call a nominated contact to either establish the individuals whereabouts or if necessary to check on their well-being.
